

Cambridge,

July 9 1894

To the Honorable, the Board of Aldermen
of the City of Cambridge:

The undersigned respectfully pray

to be allowed to lay a steam pipe not exceeding
one inch inside diameter under Auburn St^y from
their factory building on one side to stable building
slightly opposite in order to carry steam for heating
purposes to said stable both buildings being owned by the
undersigned.

Also to be allowed to repair if found
necessary steam flow off pipe now existing in same
place under said street said ~~two~~ flow off pipe
having been put in by the former owner of both buildings.

Also to be allowed at the same time to place
in same place another pipe for a conduit for electric
wires if in the opinion of the Inspector of Wires
it shall be considered proper to carrying said
wires across the street overhead.

The above is necessary for us the proper conduct of our
business it being our intention to manufacture certain
goods in top story of said stable for which we have no
place in our factory proper. all of the
above to be done in a good workmanlike manner in accordance
with city ordinances all of which is respectfully submitted

In petitions for EDGESTONES and for BRICK SIDEWALKS
the number of feet must be stated.
