Cambridge, Mass. 02138

Dear Mr. Andress:

Your letter of 7 December 1984 had been referred to this office by the Council. I have reviewed this matter with the Director of Veterans Services and with the Traffic Director. I have been advised that Mr. Teso, the Traffic Director, has communicated with you, explaining that consideration would be given to you by that department on those occasions where it would be necessary for you to park in Cambridge.

I believe the situation is now under control. However, please do not hesitate to contact me should you have any questions.

Very truly yours,

Robert W. Healy
