RE: Public Restroom Signage

Dear Councillor Walsh:

I am pleased to advise that I have received a telephone call from Mr. William Ryan, Commissioner, Cambridge Public Works Department, for the purpose of discussing the various restroom signs, in the Cambridge Central Square area, to indicate the locations of the signs. We have been assured that, immediately upon selection of the sites, they will be installed, promptly.

Permit me to expression my appreciation, and my Association, to you for following through, and for seeing that this has been completed. It is most re-assuring that there is assistance available when needed to solve problems.

Sincerely,

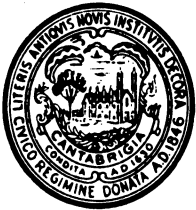

Carl F. Barron
