Dear Jennifer:

Again thank you for taking the time to keep me informed of your concerns, through CC from correspondence you are having with other councillors.

As did with your earlier communication, I will again speak with the city manager as, well as ask that the city clerk prepare a council order requesting that the MBTA and Parking Traffic and Transportation move said stop to a more appropriate location that will interfere with yours and your neighbors use and enjoyment of your homes.

If I may ever be of any further assistance to you, please do not hesitate to contact me directly or by calling me at home (547-0777) or at the Council Office (349-4280).

Sincerely,

Michael A. Sullivan

Dear Michael,

Thank you for your attention and assistance. It's good to know someone helpful is out there! A City Council order to move the bus stop would be most appreciated. If there is a meeting on this issue please let me know and we will attend. It is quite a severe situation over here and it might help for us to appear in person.

Sincerely,
