To the Honorable, the City Council:

This is to advise you that I have today signed the Final License for Cable TV with American Cablesystems Northeast. This action came as a result of American's meeting the requirements contained in the Provisional License that trigger eligibility for a Final License.

This compliance has been thoroughly reviewed and approved by Mr. Sakey and legal counsel for the City on Cable TV.

With respect to organizational matters regarding cable, effective January 6, 1986, Joseph Sakey will be Director of the Library and Communications for the City of Cambridge. Ned Casey will be Regulation Supervisor with day-to-day responsibility for the Cable Office; Richard Rossi will serve as Municipal Access and Construction Coordinator; Jill Herold will serve as Cambridge Public Access Corporation Coordinator; and James Maloney will serve as Financial Coordinator for both Municipal and Public Access.

At the end of six months, this organizational structure will be reviewed, but for the present, it represents an efficient and cost effective method of operation.

Very truly yours,

Robert W. Healy
City Manager
