Re: City Council Order (14)
4/1/74
Dogs - Jefferson Park

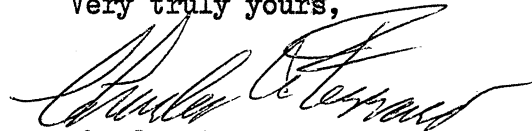

Dear Mr. Healy:

In connection with the second part of the City Council Order concerning dogs in the Jefferson Park area, we wish to advise you that the housing lease at this development is the Model Lease of the Department of Community Affairs. This lease does contain provision permitting tenants to have dogs.

In order to delete this section, the Authority and Tenants Council have to negotiate the question. A copy of the Council Order has been transmitted to the Jefferson Park Tenants Council for their consideration and recommendations.

After negotiations with the Jefferson Park Tenants Council, the Authority will notify you of the decision reached on this matter.

Very truly yours,

Charles A. Ferraro
Executive Director
