

Tell the Cambridge City Council how you feel about Riverside's new zoning and parking proposals. Council Members are waiting to hear from you. Please, mail this card today!

Dear City Councilors, I support:

- ☒ The Riverside Neighborhood Study Committee's intent to strengthen and preserve the Riverside community!
- ☐ The RNSC's proposed zoning for Athens, Bank, and Grant Streets, aimed at preventing construction of large new dormitories!
- ☒ The RNSC's goal to preserve the Mahoney's site for maximum neighborhood use and river access!
- ☒ The RNSC's proposal to stop issuing parking permits to students living in dorms, and require additional on-site parking in new construction!

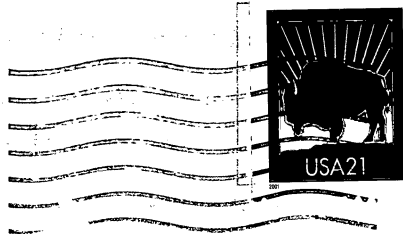

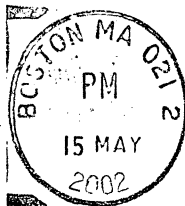

☐ Other ideas: Do not down zone residential use only
