Re: Resolution honoring Amateur Radio volunteers

Dear Michael:

To follow up on our discussion yesterday, I am enclosing a copy of the draft resolution and copies of the addresses of the individuals who assisted us with getting the radios set up. I know you have written a lot more of these than I have so please make any changes that you feel are needed.

These volunteers put in a lot of work. Thank you for helping me thank them on behalf of the city.

Yours,

Dad
