Dear Sir - CAMBRIDGE MA.

Re: Proposed Bicycle Lanes on Mass Ave

I strongly support construction of such a bicycle path in Cambridge: The cyclists would have a safe lane to ride on and I would feel more comfortable driving on Mass Ave and not have to worry about the possibility of hitting a rider as he weaves in & out of traffic.

Not only would such paths make Cambridge a safer place to drive, but it would encourage more people to bike, rather than pollute the atmosphere with gasoline fumes.
