Dear Councillor,

I am writing to express my concern and anger regarding the appointment of Trash Police.

I understand the need to recycle, and I do try to separate my rubbish and use my recycling bin every week. However, I think everyone's trash should be private and I strongly object to anyone going through it.

Furthermore, what is to prevent a neighbor that doesn't recycle from placing his rubbish in front of my house in order to avoid a fine?

I feel as though I am living in George Orwell's novel and Big Brother is watching.

Please - This is going too far.

This is the sort of thing that causes people to vote against recycling laws, badly as some of them are needed.

Sincerely,

Barbara Cashman
