Dear Ann:

Enclosed is a rough sketch of the proposed location for a pedestrian crosswalk as we mentioned in our telephone conversation this morning. Before the students submitted a request a Cambridge resident who frequently walks to Harvard Square and crosses Mason Street at this corner came into my office and requested that the school petition for a cross walk at this location. I will also add that our neighbors at 5 Phillips Place, Dr. and Mrs. Ganz who are in their nineties, regularly cross here to walk to the store. Needless to say they can not walk very fast and often wait for a rather long time before the traffic slows and allows them to cross.

If there is any further information that you need, please do not hesitate to call me. Please thank Bill Walsh for submitting this request to the City Council on our behalf.

Sincerely,

Margaret Joyce, CSJ
Administrative Assistant to the
President
