

Whereas since the recent widening of Main street the steps of my manufactory project a few inches over the line of the street and cannot be set back without great and disproportionate expense and

Whereas I am desirous that the steps should remain as now but do not claim any right to have them so remain

Now therefore I hereby agree that if permitted to keep the steps in their present position I will claim no right to keep them there, no matter how long they may so remain, but will remove them whenever requested by the Surveyor of Highways of this city.
