

City of Cambridge

23.

IN CITY COUNCIL
October 29, 1973

Councillor Vellucci

WHEREAS:

Captain Allen E. Cremins of the Cambridge Fire Department has been quoted in recent newspaper accounts as declaring "the fire protection in the East Cambridge area is positively inadequate," and

WHEREAS:

Captain Cremins stated that the present situation in East Cambridge is parallel to that which existed in the City of Chelsea before the great fire, in respect to the type of buildings, density population and inadequate fire apparatus, and

WHEREAS:

This City Council and the East Cambridge Planning Team has time and time again urged the City Manager to provide new fire stations in East Cambridge staffed with adequate personnel and the latest fire fighting equipment, and

WHEREAS:

I, Councillor Vellucci, as a resident of East Cambridge, have witnessed a major conflagration at the J. P. Squires Company which threatened the entire East Cambridge district in recent years and could have resulted in a disaster of major proportions, and

WHEREAS:

The people of the East Cambridge area are ever mindful of the barrel yards and other possible fire hazards which exist in this area, need and demand the best possible fire protection that is available regardless of the cost, to prevent a Chelsea type disaster from occurring in East Cambridge, now therefore be it

ORDERED:

That this City Council go on record requesting the City Manager to take immediate action to provide the latest and best possible fire fighting equipment for the East Cambridge district and be it further

ORDERED:

That the City Manager be and hereby is requested to proceed immediately to the construction of fire stations in East Cambridge with the latest signal system, modern communications and fire equipment and that the City Manager report the action taken by him pursuant to this order prior to the next meeting of this City Council.

In City Council, October 29, 1973.
Adopted by the affirmative vote of 9 members.
Attest:- Paul E. Healy, City Clerk.
