To the Honorable, the City Council:

With respect to City Council Order No. 11 of February 26, 1979 relative to repairs to the fence surrounding the City Dump, please be advised that the Department of Public Works has repaired the fence on Garden Street adjacent to the dump. However, there is an additional fence opposite Field Street which is a part of the MBTA contract. We have contacted them and they will repair the fence as soon as possible.

Very truly yours,

James L. Sullivan
