City Council Office  
Cambridge City Hall

Cambridge, Ma. 02139

Dear City Councilors:

I am the owner of Leon's Den. I am opposed to any new restrictions on the current city ordinance that ensures that my establishment is 25% non-smoking. I have heard the horror stories of Brookline and other locals that were forced to extend their non-smoking sections or go 100% smoke free. I urge you to reject any further ordinances concerning this matter.

I agree with the International Restaurants of Central Square and oppose any new restrictions on smoking in Cambridge's bars and restaurants. Please reject any new ordinances concerning this matter.

Thank you for your cooperation.

Sincerely,

Name Abim B Mendelsohn

Dear City Councilors:

I am a worker at LIONS DEN. I am  
opposed to any new restrictions because of fear for my tips and job. I  
have heard the horror stories of reductions of tips and people losing their  
jobs in Brookline because of the smoking ban. I urge you to reject any  
further ordinances concerning smoking bans.

I agree with the International Restaurants of Central Square and oppose  
any new restrictions on smoking in Cambridge's bars and restaurants.  
Please reject any new ordinances concerning this matter.

Thank you for you cooperation.
