To the Honorable, the City Council:

In response to Awaiting Report #25 regarding complaints from residents of Walden Street, Please be advised of the following:

The first complaint concerns trash disposal at Kentucky Fried Chicken (2072 Massachusetts Avenue). Daniel Evans from the Department of Public Works inspected the area, and found that the trash container behind the property was kept very clean; he took pictures of the site that confirm this.

The second complaint concerns strong cooking odors emanating from the ventilating shaft at Maharajah Indian Cuisine (2088 Massachusetts Avenue). According to Evans, no problems were evident at this location as the owner had recently installed a ventilation and fan and completed duct work on the property to take care of the odors.

Very truly yours,

Robert W. Healy
City Manager
