To The Honorable, The City Council:

I am hereby requesting the appropriation and authorization to borrow \$1,000,000 to cover the costs of rehabilitation projects on the Payson Park Conduit and a portion of the Stony Brook Conduit. It is essential that these repairs be completed before the treatment facility begins operations late in 2000. The repairs to the Payson Park Conduit include cleaning and lining a critical single pipe portion that runs from the treatment facility to the Huron Avenue Gatehouse; installation of a cathodic protection system; and replacement of appurtenances along the double piped portion of the conduit to Payson Park Reservoir. The work on the Stony Brook Conduit also involves repairs that should be done prior to the completion of the new treatment facility.

Very truly yours,

Robert W. Healy
