To The Honorable, The City Council:

In response to Awaiting Report Item No. 22, regarding ensuring that during various stages of construction on City streets, those streets are as safe and clean as possible, Public Works Commissioner Ralph Dunphy reports the following:

Public Works is responsible for the management and condition of the streets. Any and all reports/concerns of conditions on the streets due to construction should be reported to Public Works at 349-4810. Swift actions will be taken with the Contractor or Utilities to keep the streets safe and clean. Public Works welcomes the opportunity to visit with concerned citizens about their conditions.

Very truly yours,

Robert W. Healy
City Manager
