APPLICATION FOR DRIVEWAY CUTS AND OPENINGS

CITY OF CAMBRIDGE

INSTRUCTIONS:

In order to obtain permission for a driveway cut or opening you must first get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abutters.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed driveway, including dimensions, on Drawing 2. You may then calculate the cost of the driveway by using the formula based on your choice of surfaces. You must also include a signed abuttor sheet for each of your abuttors: back yard, one on either side and the abuttor directly across the street.

Once you have gathered this information on the application, it should be submitted to:

**Zoning Officer
Inspectional Services
831 Massachusetts Avenue
Cambridge, MA 02139**

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.

DATE:

9/21/93

PART I:

Address of proposed curb cut or off-street parking facility: 58 Brookline Street

Frontage: 70' Block and Lot: _____

Setback (distance from building to sidewalk): N/A

Distance from proposed driveway to surrounding structures and property line: 50' from structure 2' +/- from
property line

Dimensions of proposed driveway: 20'

Location of any trees, sign posts, fire hydrants, utility poles, etc., in direct vicinity of proposed driveway: One utility pole
to be moved, when housing is to be constructed.

- ☐ Plot plan is included
- ☐ Sketch of driveway with cost estimate is included
- ☐ All abuttor's forms are included

IN CITY COUNCIL

October 25, 1993

VICE MAYOR CYR
COUNCILLOR DUEHAY
COUNCILLOR WOLF

ORDERED: That the City Manager be and hereby is requested to direct the Traffic and Parking Commissioner to consider and report on the feasibility and advisability of the following traffic mitigation measures as they relate to the new housing development at 58 and 62 Brookline Street, which will not only mean new curb cuts but also many more children and pedestrians:

1. A traffic light at the curb cut location on Brookline Street;
2. Buttons for pedestrians to push to control a walk light on both sides of the street;
3. On the curb cut side of the street, where cars will exit from the driveway, a push button at car-level so that drivers can control the traffic flow to exit more smoothly;
4. Wide entrance curb to the driveway; and be it further

ORDERED: That the City Manager be requested to direct the Traffic Commissioner to investigate and report on what is the appropriate speed for Brookline Street under state law in view of the new housing development; and be it further

ORDERED: That the City Manager report back to the Council on what need to be done to implement the Waverly Connector project; and be it further

ORDERED: That the City Manager report on the monitoring of traffic under the area which is required under applicable zoning law.

In City Council October 25, 1993.

Adopted by the affirmative vote of nine members.
