

City of Cambridge

AMENDED ORDER

8.

IN CITY COUNCIL

July 10, 1978

COUNCILLORS VELLUCCI AND DUEHAY

ORDERED: That the City Manager be requested to direct the Health Commissioner, the Building Department, and the Fire Department to make a complete inspection of the Russell School building inasmuch as it has been reported that children have been found lost in the building, fires have been started, and much vandalism has occurred. The City Council urges that this building be immediately declared a health and safety hazard in the community and that the building be demolished before a catastrophe occurs, and be it further

ORDERED: That the City Manager be and hereby is requested to obtain the appropriate sign off documents on the land from the School Committee for the purpose of sub-dividing this land for sale for house lots with appropriate advertising of said sale, conforming to local zoning ordinances relative to one and two family homes.
