To The Honorable, The City Council:

In response to Awaiting Report Item No. 17, regarding the removal of trees and the closing of the sidewalk in front of Portland Stoneware, Public Works Commissioner Ralph Dunphy reports the following:

There are currently three tree stumps that need to be removed from the sidewalk in front of Portland Stoneware. The Developer has fenced off the sidewalk while making renovations to the building. Public Works has scheduled the removal of these stumps in coordination with the removal of the fence. It is expected that this work will be completed by mid-April.

Very truly yours,

Robert W. Healy
City Manager
