To: Robert W. Healy, City Manager
From: David A. Haley, Commissioner
Public Works Department
Date: February 10, 1992
Subject: Council Order #5, Dated 1/27/92
Re: Staffing Transfer and Re-assignments
at D.P.W.

Please be advised that the elimination of the sectional laborer (hokey pokey) is part of the Department's efforts to improve efficiency in the Street Cleaning Division.

The Public Works Department now has three litter crews assigned to various streets and squares throughout the City. These reassignments are a result of our dwindling workforce, and our attempt to better utilize the Department's labor force.

The major public ways of the City will continue to receive street cleaning services as needed by one of the three crews, depending on their availability.

If you need further information regarding this matter please feel free to contact me.
