December 10, 1973

To the Honorable, the City Council:

With reference to order of October 29, 1973, relative to relative to free examinations for tuberculosis, I am advised by Dr. James B. Hartgering, Commissioner of Health, Hospital and Welfare, that the system of free examination for tuberculosis has not been eliminated. In place of the chest x-rays which are specifically not recommended, these tests are now given by skin tests which are free of charge. Any follow-up on this is through the TB Clinic at the Cambridge Hospital.

Very truly yours,

John H. Corcoran
City Manager
