December 13, 1982

To the Honorable, the City Council:

Attached is an order requesting the transfer of \$2500.00 from the Public Works Other Ordinary Maintenance account to the Public Works Travel and Training account. The funds will be used for conference attendance at the National American Public Works Association Conference, the Annual American Public Works Workshop and the Annual American Public Works National Snow Conference. Attendance at these conferences is highly desirable as part of a continuing education process for administration in the public works field. The subjects covered range from public works budgeting, financing, management, personnel administration, building maintenance, horticulture, equipment, specifications and purchasing, and many other items related directly to the operation of the Public Works Department.

Passage of this order is recommended.

Very truly yours,

Robert W. Healy
City Manager
