OFFICE OF CITY CLERK
CAMBRIDGE, MASS.

City Council Office
Cambridge City Hall
Cambridge, Ma. 02139

Gentlemen;

I would like to take this opportunity to voice my opposition to the planned Scheme Z. As a resident of East Cambridge, I believe that the Scheme will severely impact the currently congested traffic situation in this part of town as well as cause the general deterioration of air quality resulting from the addition of more vehicles and years of construction.

Thank you.

Sincerely,

Eric M. Derman
