Ms. D. Margaret Druey
City Clerk
City of Cambridge
Cambridge City Hall
Massachusetts Avenue
Cambridge, MA 02138

Dear Ms. Druey:

I was really thrilled to receive the congratulations of the Cambridge City Council on the occasion of my election to the National Academy of Sciences. I have been a resident of Cambridge for essentially all of my professional career, so I was delighted that the City Council notices the achievements of Cambridge residents. Cambridge is a city whose residents have so many diverse talents not only in the academic sphere, but in many others as well. It is really a wonderful place to live.

Thank you again for your kind congratulations.

With best regards,

Sincerely,

Eva J. Neer
