PRESS RELEASE

CAMBRIDGE, MASS.

George Teso
Director

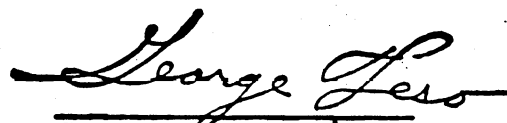

The City of Cambridge will begin its Street Cleaning Program on April 1, 1977. This program which has kept our streets clean has been very successful in the past years and the main reason is due to the cooperation received from the people of Cambridge.

The City of Cambridge is again asking for this cooperation and it is our opinion that it will be a successful program in 1977, if the people of Cambridge follow a few suggestions:

1. Cut out of the local newspapers the "Street Cleaning Schedule" every month for reference to the day of the month your side of the street will be swept. A good idea is to post it somewhere or make a note on your calendar.
2. Look for the signs stating the day your street will be swept.
3. On the day of the sweeping, check your street to make sure you are parked legally as there will be announcements made over a bullhorn.
4. Finally, if any person is in doubt of when their street is being swept, they can call the Traffic and Parking Department, Tel. No. 876-6800, Ext. 314 and they will be given the information.

You must remember that if your vehicle is found parked during Street Cleaning days, it will cost you a total of \$18.50 to retrieve your vehicle (\$12.00 towing fee, \$1.50 Storage Fee and \$5.00 for the parking ticket). You must remember that we do not want to tow cars as it interferes with our sweepers and costs the City money as well as time.

Again, I am asking all the people of the City to cooperate with us in keeping our streets clean.

George Teso
Traffic Director
