Reference

Subject City Council Order No. 11 of May 21, 1979 "Hauling of Materials
From Somerville Through Cambridge".

The Traffic and Parking Department has not and will not issue any permits to any contractors for permission to haul excavated materials from Davis Square, Somerville into the City of Cambridge. I have discussed this with the contractors and they have agreed to abide by all the laws and specifications of their contract.

I have also met with the Police Department concerning this problem and they have informed me that they will also be checking this area.
