

BOARD OF OVERSEERS OF HARVARD COLLEGE

SARGENT KENNEDY, *Secretary*
HENRY F. COLT, JR.
Assistant Secretary

MASSACHUSETTS HALL
CAMBRIDGE, MASSACHUSETTS 02138

November 5, 1969

Dear Mr. Healy:

Mr. C. Douglas Dillon, President of the Board of Overseers of Harvard College, has asked me to respond to the City Council invitation for a meeting on November 10, 1969. As you may know, the Board is made up of thirty individuals from many different parts of the country who come to Cambridge usually only six times during the year. Mr. Dillon asked me to express his feeling that it would not be possible for them to accept Mr. Vellucci's invitation to attend a meeting with the Finance Committee on that date. He suggested that members of the President's staff would be pleased to sit down with the Council at any time to discuss matters of mutual interest to the University and the City of Cambridge.

Respectfully yours,

Sargent Kennedy
