D.P.U. 88-238

TELESPHERE NETWORK, INC.

Telesphere Network, Inc. ("Telesphere") is seeking permission from the Department of Public Utilities to offer operator services to the general public as an alternative to operator services presently provided by AT&T, New England Telephone and other carriers. Telesphere would offer its services primarily to hotels, hospitals and pay phones. In addition to the provision of operator services, Telesphere proposes to offer telephone and data transmission service throughout Massachusetts.

The above investigation is officially captioned:

Application by Telesphere Network, Inc. under the provisions of ch. 159 of the G. L. as amended for a certificate of public convenience and necessity to operate as a resale, value-added or interexchange common carrier within the Commonwealth of Massachusetts.

D.P.U. 88-254

Telesphere Network, Inc. ("Telesphere") has filed a tariff of rates and charges for the provision of alternative operator services as well as telephone and data transmission service. Telesphere is also seeking to obtain a certificate to provide such service in D.P.U. docket #88-238.

-OVER-

The above investigation is officially captioned:

Investigation by the Department of Public Utilities on its own motion as to the propriety of the rates and charges set forth in the following tariff, M.D.P.U. No. 1, Original Title Page, Original Pages 1 through Original Page 37 filed with the Department on November 29, 1988 to become effective December 29, 1988 by the Telesphere Network, Inc.

The Department of Public Utilities will conduct a public hearing on these matters on Friday, February 17, 1989 at 10:00 a.m. at its hearing room, #1210 Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts 02202.

By Order of the Department,

MARY L. COTTRELL, SECRETARY
