

OFFICE OF THE MAYOR
CITY HALL - CAMBRIDGE

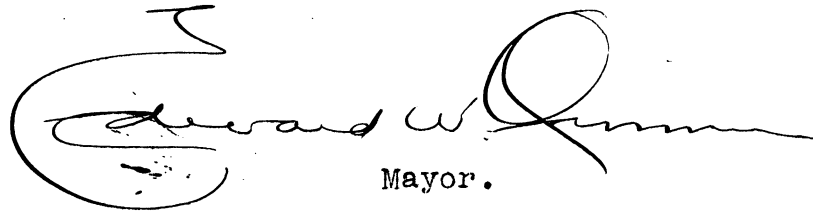

May 4, 1926.

The Honorable, the City Council:

It is my sad duty to officially notify you of the death in this city on April 30, Mr. John B. Byrne. Mr. Byrne was a life long resident of Cambridge where he was successfully engaged in business. For a number of years past he served the City of Cambridge as a member of the Board of Appeal, only resigning because of ill health in January, this year.

I respectfully recommend suitable action be taken as a mark of respect to his memory, in which action I am ready to join.

Respectfully yours,

A large, stylized handwritten signature in dark ink, appearing to read "Edward W. Quinn". The signature is written in a cursive style with a large, looping initial "E".

Mayor.

Fredrick H. B. ... City Clerk

City of Cambridge

In City Council

May 11, 1926.

WHEREAS:

The City Council has been officially informed by His Honor the Mayor of the death on April 30th of John B. Byrne, it is desirable and fitting that this board should join with the Mayor and perpetuate upon the records its tribute of respect to his memory.

Mr. Byrne was a life-long resident of Cambridge and served for a number of years on the Board of Appeal. He was a successful building contractor and erected many of the largest buildings located in the city, among the more prominent being the Mika Building and the Church of the Blessed Sacrament on Pearl Street. He was a member of the Mika and Knights of Columbus and, while he was never active in public affairs, he took a deep interest in all matters pertaining to the public welfare.

He was a widely known, highly respected gentleman and his honesty, sincerity and happy disposition made for him a host of friends who will remember him and mourn his loss. It is therefore

RESOLVED:

That the City Council recognizes the faithful service rendered by John B. Byrne and respectfully recommends that a copy of these resolutions be spread upon its records.

In City Council

MAY 11 1926

Adopted unanimously by a rising vote

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains. The *Agrobacterium* strains were grown in the YEA medium for 24 h at 28 °C. The cell concentration of the *Agrobacterium* strains was adjusted to 10⁸ cells/ml. The cell suspension was mixed with the plant tissue and the transformation efficiency was determined. The results were expressed as the mean ± SD of three independent experiments. The asterisks indicate the significant difference between the control and the experimental groups.

I have been thinking to tell you about this for some time, but
 I have been so busy that I have not had time to do so. I am
 now in the hospital and I am not feeling well. I am
 very tired and I am not able to do much work. I am
 very sorry to hear that you are not feeling well. I
 hope you will get better soon. I am very sorry to hear
 that you are not feeling well. I hope you will get better
 soon. I am very sorry to hear that you are not feeling well.

and the fact that the Government has been unable to obtain the necessary information to determine the extent of the damage caused by the earthquake.
