AT&T COMMUNICATIONS OF NEW ENGLAND, INC.

The Department of Public Utilities is investigating a request filed by AT&T Communications of New England, Inc., on May 17, 1985, for a permanent rate increase of \$13.2 million or approximately 26.8 percent of gross revenues; and a request by AT&T Communications of New England, Inc., filed on the same date for interim rate relief in the amount of \$7.2 million. The requested increases would affect most charges of service. The request for permanent rate relief also includes a proposal to withdraw the offering of jack equipment, connecting arrangements, series 4000, 6000, and 10,000 Private Line Channels and Alternate Use arrangements.

The Department has consolidated the requests for hearing purposes and will conduct a public hearing on Tuesday, July 2, 1985, at 7:30 p.m. in the Ante Room, Second Floor, Springfield City Hall, 36 Court Street, Springfield, MA 01103.

A PRE-HEARING CONFERENCE will be held on Monday, July 8, 1985, at 10:00 a.m. at the Department of Public Utilities, Hearing Room, No. 1210, Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts. At that time, the Department will receive comments on AT&T's request for interim relief and will establish a schedule for the proceedings.

By Order of the Department,
