Driveway - 3 Kinnaird Street  
Cambridge, Massachusetts

The above noted address was checked as to conformance with the requirements of the zoning ordinance of the City of Cambridge and the following was noted:

### PRESENT

The maximum distance from the side lot line to the house on the lot is twelve feet (12') and at a point twenty-five feet (25') back from the street lot line it measures approximately four feet (4')

### REQUIRED

The minimum distance for a parking space of eight feet-six inches (8'6") is five feet (5') from the lot line and five feet (5') from the building on the lot. The depth of a parking space is twenty feet (20') and it must be at least five feet (5') from the front lot line and five feet (5') from the building on the lot.

**Subject :** Report of Driveway Requested  
at 3 Kinnaird Street

We have checked the proposed layout of the driveway at 3 Kinnaird Street as requested and advise you as follows:

This proposed layout is too small for an adequate driveway and I believe it will constitute a hazard to the adjoining property.

Atten: Mr. Paul Healey.

Dear Sir:

I would like to ask you to have the Council Order of May 3, 1976 for a driveway at #3 Kinnaird Street Cambridge, rescinded due to the fact there is no room for a car on that lot. Furthermore, this would-be driveway would be encroaching on my property. (133 River St. Rear) Four small children who live on the first floor plays in this small walkway. According to regulations a driveway should be 18-25 feet. If you check this area it is only 8 feet. Thank you for your cooperation in this matter.

Yours truly,
