

City of Cambridge.

OFFICE OF THE CITY ENGINEER,

CITY HALL.

June 5 1893

To the Honorable the City Council,

Gentlemen:-

That part of Second Street between Spring Street and the Southerly line of the American Net & Twine Company's land, was accepted in 1877, -but no grade was at that time established. Also the part of Second Street between Spring Street and Thorndike Street, accepted in 1845 has no grade established. I reccommend that the grade of this part of Second Street between Thorndike Street and the Southerly line of the American Net & Twine Company's land, be established in accordance with the profile herewith submitted. (dated Apr 17, 1890)

Respectfully,

L. M. Hastings

City Engineer.

Communication from
the City Engineer
relative to the grade of
Second St.
