Dear Members of the City Council,

On May 15, 1977, from 12:00 to 5:30, we will be having our annual Spring Festival for the Roberts School community offering amusement rides, games of chance, prizes, baked goods and much more.

We welcome your support in our endeavor to make it a financial success. All profits will be used to benefit our school, students, parents and community, in general.

In light of the recent environmental problems caused by a rock concert in Boston, we would like to assure you that we are all extremely ecology conscious and will gladly assume responsibility for cleaning up.

We also support the expenditure of money needed for security and maintenance for the city-wide festival to be held on the banks of the Charles River.

You are cordially invited to attend our Festival and join in the fun with your constituents.

Sincerely,

Spring Festival Committee
