Re: Curb Cut at 108 Trowbridge Street

Dear Madam or Sir;

In response to a notice of a request for a curb cut at number 108 Trowbridge Street, I wish to notify you that several neighbors have discussed it and have no wish to formally oppose the curb cut. However concern was voiced by some about the loss of tree or parking place on the street.

Thank you for notifying the Mid Cambridge Neighborhood Association about this matter.

Sincerely,

Dorothy W. King
