RENT CONTROL ADMINISTRATION

William J. Corkery

Rent Control Administrator

S T A T E M E N T

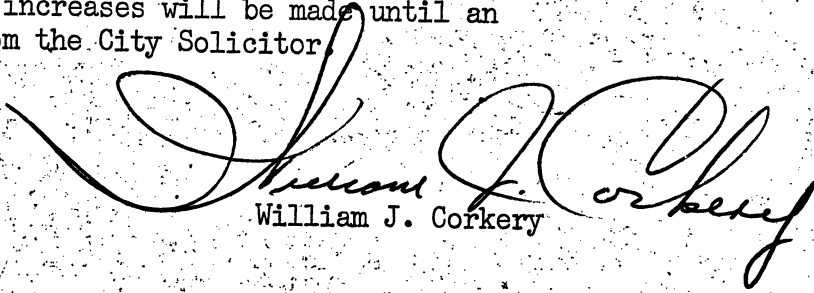

FROM: MR. CORKERY

DATE: AUGUST 16, 1971

Based upon President Nixon's Proclamation or Executive Order, the Cambridge Rent Control Administrator will not grant any rent adjustment increases. This ruling is effective August 14, 1971.

For the time being, until the City Solicitor has made a definitive judgment, which we expect shortly, the Cambridge Rent Control office will conduct hearings on rent adjustments but will not render any decisions.

In regards to short form rent adjustments for real estate taxes, the Rent Administrator will accept applications and petitions but no decisions on this type of increases will be made until an opinion has been received from the City Solicitor.
