Dear Friend:

The new campus of the University of Massachusetts at Boston has been a long time coming. Our temporary campus at Park Square was in operation from 1965 until early this year.

Now, through the support of the Legislature and you--the taxpayer--UMass-Boston has unsurpassed facilities on the shores of Dorchester Bay. It has given us a climate conducive to study and academic reflection.

But, in addition to that, it is a campus that we wish to share with you, especially on Sunday, April 28th, from 1 to 6 p.m., when we will have an Open House for our friends and neighbors.

I would be most appreciative if you make announcements and spread the word that the Open House will be held and that everyone is invited. We will be delighted to see you on the 28th.

Sincerely yours,

Carlo L. Golino
Chancellor
