City of Cambridge.

In Board of Aldermen, April 17th 1872

The Committee on Roads & Bridges, to which was refer^d the ^{communication} petition of R. S. Edwards in relation to overflow of surface water on Spruce St, at corner of Hollis St, Reports,

That, having examined the premises, it seems evident that nothing can be done by this Committee to prevent the recurrence of the trouble complained of.

And therefore recommends that the communication ~~be~~ be refer^d to the Committee on Sewers & Drains.

For the committee,
S. Harding

Report
on Petition of R. S. Edwards.
April 17, 1892.

To the Honorable
The Mayor & Aldermen of the City
of Cambridge

Gentlemen in changing
the grade of Spruce Street I was
put to considerable trouble and expense
by being obliged to raise my walks and
fences. I am also troubled with surface
water which before the grade was changed
drained off through a drain constructed
for that purpose.

Most Respectfully Yours
P. J. Edwards
