To the Honorable, the City Council:

With respect to Awaiting Report Item No. 1, please be advised that Richard Griffin, the new Director of the Council on Aging informs me that the senior citizens in the West Cambridge area meet in the Tobin School on the first and fourth Saturday of each month. Additionally I have asked Mr. Griffin to assist in finding a suitable meeting place that the senior citizens could use on a daily basis.

Very truly yours,

  
James L. Sullivan  
City Manager
