TO: Honorable Members of the Cambridge City Council

RE: THIRD ANNUAL CENTRAL SQUARE WORLD'S FAIR

Arnold B. Goldstein, Vice Pres.
SEA Consultants, Inc.
485 Massachusetts Avenue
617.497.7800

I am pleased to advise that the Central Square Business Association is sponsoring two fairs this year. The Cambridge Arts Council is cooperating to produce an event that will feature music, dance, crafts and cuisine from "around the world". We plan to give first preference to restaurants, crafts, and the arts from Cambridge and, then, fill in with others, if needed.

George R. Metzger, Vice Pres.
HMFH Architects, Inc.
130 Bishop Allen Dr.
617.492.4900

The first of these events is now scheduled for Saturday, May 21, 1994, from 11:00 a.m. to 4:00 p.m. The second one will be in September.

Bob Twitchell, Treasurer
Cambridgeport Bank

We would like to have the event held on Massachusetts Avenue from Prospect Street to Douglas Street and request the cooperation of the Cambridge City Council in assisting us to have this entire section of Massachusetts Avenue closed off for those hours, as noted above. Pedestrian safety is a top priority and we believe that this temporary closure would definitely promote such safety.

Norman T. McIver, Asst. Treas.
Cambridge Trust Company
326 Main Street
617.349.1564

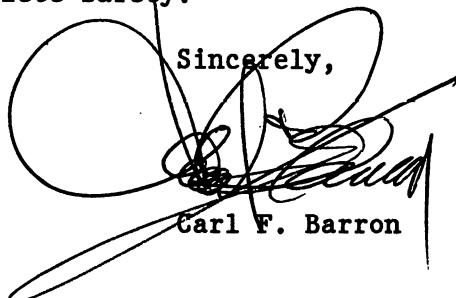

Our Association is very pleased with the cooperation of all Departments of the City, including the Police Department, Public Works Department, the Traffic Department, License Commission, the Fire Department, and the Office of the City Manager, especially. We feel that joint efforts with the Cambridge Arts Council will produce a more professional event than ever before and should help to enhance the Central Square area. We also feel that these events do much to improve the perception by the general public of Central Square as a good place in which to shop, walk, and work.

Richard A. Foot, Corresp. Sec.
Cambridge Family YMCA

We trust that you will give favorable response to our request for the complete closing off of Massachusetts Avenue for the hours and date noted above to make this event most possible and with complete safety.
