To the Honorable, the City Council:

With respect to Awaiting Report Item No. 2 regarding the new Haggerty School Building, please be advised that a sum of \$569,000 has been included in this year's school budget for renovation of the Haggerty and Agassiz school. New construction is not practical since the project was not eligible for State reimbursement. The improvements currently being made will greatly contribute to the life safety and atmosphere of the school.

Very truly yours,

Robert W. Healy
