The Honorable Body
City Councillors
Cambridge City Hall
Cambridge, MA 02139

Dear Sirs:

The Executive Board of the Massachusetts Veterans' Service Agents Association at their meeting held on December 5, 1973 voted unanimously to give Mr. Pasquale L. Reale, President of our Association and Director of Veterans Services in your City, a complete vote of confidence for outstanding service.

We are sure that you are aware of the fine work and complete dedication that "Pat" offers to your City and the Veterans and their dependents of your City, but when a man gives so much of himself in the performance of his duty, it is only fitting and proper that he be given recognition by his peers for whom he has set such a fine example.

As one who has worked and been closely associated with Pat, I can vouch for the authenticity of these statements.

Sincerely,

Bernard J. Belcastro
Secretary
