Mayor

Mr. Paul Healy, City Clerk
Clerk's Office
City Hall
Cambridge, Massachusetts 02139

Dear Paul:

A special note of appreciation for your invaluable co-operation and assistance during my employment as Aide to the Mayor. Even more importantly for your understanding in helping us resolve the problems that confronted this office.

Even though I am leaving City Hall to return to classes at Trinity College, I shall be indebted to you and members of your staff, in particular Joe Connarton, for their understanding and patience shown to me.

A simple "thank you" seems to be totally inadequate; however, I cannot find a more sincere personal expression to convey my true feelings.

Best Wishes.....

Sincerely,

Patrick Centanni
