The Standing Committee on Roads and Bridges on the part of the board to which were referred sundry petitions for ~~repairs~~ and street grading.

Resolved,

no action necessary

upon the following:

H. M. Gibson et al for grading Albany street,
C. Geldonsky Furniture &c. ~ First and
Thursdike streets

For the Committee,
Wm E Lloyd.

Report
Standing Committee
on Roads & Bridges in
sundry petitions for
street grading.

Dec 27. 1882.

To the Mayor & Aldermen

of the City of Cambridge

We would respectfully state that the factory building owned by E. M. Gibson & T. A. Johnston undesignated and to be occupied immediately by the Evers & Pond Piano Co., below signed by the Directors, has been completed; the same being situated on Albany Street said City of Cambridge; that before commencing said building we received assurances from the City of Cambridge that if the factory building should be put up, the street should be graded to the factory building from Main Street & that the sewer should be laid, & we would now respectfully request that the same may now be done for us.

East Cambridge November 1881.

To the Honorable the Mayor and Board of Aldermen
of the City of Cambridge.

The undersigned respectfully
represent that the public good and convenience require
that First Street between Cambridge and Thorndyke
Streets, and Thorndyke Street between First and Second
Streets be paved or macadamized.

We therefore request that such action
be taken in the premises by your Honors, as will
promote the public interest and the necessities of
trade.
