To the Honorable, the City Council:

In response to Awaiting Report Item Number 03-118, regarding a report on the status of repairs being made to the elevators at Miller's River, Executive Director of the Cambridge Housing Authority Daniel J. Wuenschel reports the following:

The machines necessary to complete the repairs of the elevators at Miller's River were received by the elevator company during the week of November 3rd. The crane that was required to lift the machine parts to the roof for installation was scheduled for the week of November 10th. It is anticipated that the final repairs will be completed during the week of November 17th.

Additionally, the elevator company has made the necessary adjustments to lengthen the time that the elevator doors are opened, which will accommodate those in wheel chairs or other assisting devices.

Very truly yours,

Robert W. Healy
City Manager
