Dear Ms. Albano:

Our office has received the Cambridge City Council's resolution extending congratulations to Harvard, MIT, the Whitehead Institute, and Eli and Edythe L. Broad, for the creation of our new Institute, and for the spirit of collaboration that it represents.

Please express my gratitude to the Council, both for passing this resolution, and for supporting in many ways the important work that will take place at this Institute and across our universities. Working together, we can continue to make great things happen in Cambridge.
