

PETITION

We, the undersigned, do hereby support the proposal to be presented at a full hearing on September 10, 1990.

We agree with the position that various City Departments need to intensify their presence in the Central Square community on a permanent basis.

Specifically, we request that the Police Department be allowed to provide a HIGHER PROFILE in the Central Square area and the surrounding community. The safety and security of Cambridge residents, businesses, patrons and employees of those businesses is of primary importance.

Enforcement of existing laws and ordinances is required to revitalize specific critical areas of the City, namely Central Square, which has been suffering from neglect, resulting in criminal and anti-social behavior to the detriment of the majority of the residents, owners, employees and patrons of the businesses of the Central Square neighborhoods.
