Grading main St. 2

To the Honorable the Mayor and Aldermen
of Cambridge

The Undersigned, citizens and taxpayers of Cambridge
have learned with great concern that your honorable body
intends to widen Main Street on each side; and they remon-
strate, respectfully but very emphatically, against any ex-
penditure of money for this purpose at the present time,
when taxes, national and local, already bear so heavily upon
all, and the unsettled state of the country makes it still
uncertain to what extreme the resources of Cambridge
may yet be pushed before the rebellion can be crushed.
