

City of Cambridge

6.
IN CITY COUNCIL
January 30, 1978

COUNCILLOR ALFRED E. VELLUCCI

- WHEREAS: Cerebral Palsy is a condition afflicting some 700,000 children and adults in the United States, striking our newborn and young children at the rate of 12,000 individuals per year, and
- WHEREAS: Measures of prevention and treatment are becoming increasingly possible every day, and
- WHEREAS: United Cerebral Palsy is a network of 300 state and local volunteer agencies established in 1949 to combat this disease and provide help to individuals with cerebral palsy and their families, and
- WHEREAS: Today there are over 1,750,000 volunteers devoting their time and energies to UCP, assisting in all facets of affiliate and national programs including diagnosis, evaluation and treatment, special education career development, advocacy and community education among many other areas, and
- WHEREAS: The UCP Research and Education Foundation carries out extensive research in the causes and prevention of cerebral palsy and in improving motor function of cerebral palsied individuals, now therefore be it
- RESOLVED: That this City Council declare the week of January 30 through February 5, United Cerebral Palsy Association Week in Cambridge, and be it further
- RESOLVED: That all Cambridge citizens are urged to support the UCP Association during its telethon on February 4 and 5.

In City Council February 13, 1978
Adopted by the affirmative vote of 9 members.
Attest: Paul E. Healy, City Clerk
